

NEW Fitting Display

The SureFit Fitting Display provides a “try-on” inventory in your office for easy size determination. The handsome display has a cherry wood grain finish and is beautifully designed to be compact (Base is 12” x 12” x 54”), yet facilitate access from all four sides via a rotatable column. The display offers 32 shoes shown in the SureFit catalog. A full list is provided below with the shoe color and catalog page numbers for easy identification. The new Fitting Display is available October 19, 2009.
