The logo features the word "SUREFIT" in a bold, blue, sans-serif font. The letter "S" is stylized with a small 'x' at its base. The text is centered within a white, pill-shaped background that has a blue drop shadow effect, making it stand out against the blue background. The background itself is composed of several curved, overlapping bands of color: a light blue at the top, a bright orange-red band, a medium blue band, and a dark blue band at the bottom right.
